I hope this message finds you well. I am writing to inform you that I have been unwell over a past few days which unfortunately affected the ability to complete & submit the assignment - 2 you gave us to be submitted by 5th April.

Due to my illness, I was unable to focus on my academic responsibilities. I kindly request your permission to ~~su~~ acc my assignment by 10th April.

I understand the importance of deadlines & sincerely apologize for any inconvenience caused by me. Thank you
